

After-Hours Veterinary Support **AVAILABLE 24/7**

AFTER HOURS CARE

We have partnered with Guardian Vets to provide you 24/7 after hours veterinary phone support. We understand your pet's health does not follow a 9-5 schedule and sometimes questions may come up after hours. Our goal is to provide you the best care possible and to have resources available when you need them.

If you have a question after hours simply call our practice and you will be able to consult a licensed veterinary professional at no charge.

If the issue is non-emergent, they will help you with an appointment for the next business day.

If the issue is an emergency, they will direct you to receive veterinary care. We recommend the following, fully staffed, emergency/24 hour clinics for optimum care:

ANIMAL EMERGENCY CLINIC OF ROCKFORD*

ANIMAL EMERGENCY CENTER OF THE QUAD CITIES*
